STEP 1

Slide part A and B together to assemble the middle base.

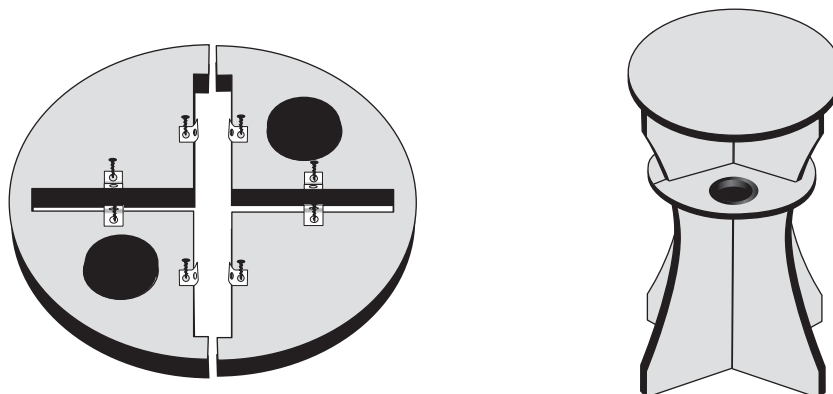

STEP 2

Attach top of pedestal, X down, as shown using 17 1⁵/₈ in. screws.

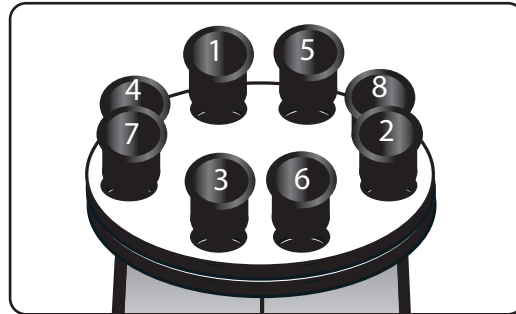

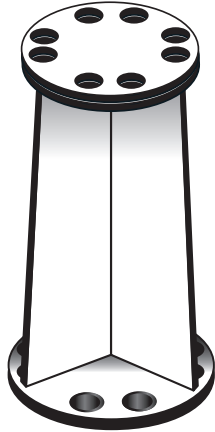

STEP 3

On the half moon shaped drink shelf pieces, using 8 3/4 in. screws, attach L-brackets as shown. Once attached, slide over base at notches with L-brackets down to create a round level shelf. Secure L-brackets to base with remaining 8 3/4 in. screws.

STEP 4

Lay Top Shelf on top of upper shelf and line up holes. Insert 8 sleeve inserts in the order shown.

STEP 5

Attach plywood bottom base using 17 1/4 in. screws as shown. Make sure leg levelers are lined up with holes on last piece. Turn pedestal over and it's ready to go!
